Media & Field Trip Release 2017-2018 School Year

Parents who have students attending Gladwin Elementary School are asked to read this document and indicate with a check mark on “yes” or “no” their preference for the following events or activities and sign & date at the bottom. Board Policy requires that parents advise the school when you do not want any or all of the following information released.

Photographs and/or videos may be taken of student activities. Photographs and/or videos may be taken to document medical conditions. I give permission for my child to appear, and to be named in newspaper photographs and articles.

_____ NO _____ YES

Photographs and/or videos may be taken to document medical conditions. I give permission for my child to be filmed in the event of a medical condition requiring documentation.

_____ NO _____ YES

My child’s class may be taking field trips during the school year. When field trips require transportation, my child will be transported by bus. I give permission for my child to participate. (Parents will be notified in advance of any planned field trip)

_____ NO _____ YES

There are times during the school year when parents and room mothers require a class list of student names, phone numbers, and address for various reasons such as, classroom events, birthday parties, etc. I give permission for my child’s name, phone number, and address to be distributed on a classroom list or school directory. *(Any objections to releasing directory information to school personnel must be in writing to Principal, Josh Pahl, at the address listed above.)*
