

GHS Split Schedule May/June 2021

Gladwin High School (only) will continue our face-to-face students in a split schedule for the remainder of the school year. This measure is needed in order to continue our social distancing that has made our quarantines practically non-existent and keeping our students in face-to-face instruction. This also increases the change for students to be able to participate in upcoming events such as prom and graduation. We have seen our students' sense of relief with not having quarantines over the past couple of weeks. which is imperative for their academic growth and social-emotional well-being. If you have questions or your student is struggling with virtual learning days, call the high school at (989) 426-7341 so we can help.
